

1. Degree Level and Program Name MS Nursing, Family Nurse Practitioner

2. College/School College of Health Sciences is assessed annually. Specific courses are identified. Faculty that teach in these courses complete an end of term report at the office of the Associate Dean. The graduate curriculum committee provides quality improvement with the full graduate assembly on how students meet program objectives. The committee provides recommendations for improvements in course delivery if needed for program objective 3.

6. Assessment Period Select the academic year for which you are reporting results (i.e. when data were collected):

2022-2023

7. Results, Planned Actions, and/or Actions Taken -Briefly summarize the assessment results, how they relate to benchmark(s), and how you are using them to enhance student learning and improve program quality.

All 25 students met the benchmark of 80% on each portfolio rubric dimension (attached). Electronic portfolios are the industry standard for demonstrating competency across the industry.
