

Borrower Acknowledgement Statement
Total and Permanent Disability Discharge

Student's Name: _____ T: _____
Last

The National Student Loan Data System (NSLDS) states that you have one or more federal student loans and/or TEACH Grant service obligations discharged because of a total and permanent disability. You must submit a Physician's Certification of Borrower's Ability to Engage in Substantial Gainful Employment form to the Financial Aid Office, if you have not previously done so.

Each time you wish to receive an additional federal student loan while attending University of Detroit Mercy, you must complete this form and submit it to the Financial Aid Office. It is your responsibility to initiate a new loan request by completing and submitting a new form.

A physician's certification is required only once before a student may borrow new federal loans after a disability discharge. The school will maintain this certification in the student file.

A signed certification from my physician is attached.
